## OVERVIEW

The Credentialing Review Course (CRC) is a valuable benefit that provides SAME members with free access to credentialing review courses to help prepare them for professional certification exam testing.

## REQUIREMENTS

- Applicants must be active, paid SAME members for at least 12 months. Student memberships do not count toward this period
- The member must provide proof of registration for their respective exam within 30 days of receiving access to the review courses through PPI2Pass (for FE, PE, and ARE credentials). The exam should be scheduled within three- to nine-months of the award.
- Applicant must be willing to engage with a mentor from SAME (monthly at a minimum) throughout the time enrolled in the review course.
- Members selected for the CRC (or SAME Credentialing Assistance Program) will remain eligible to receive benefits from the other credentialing support program, no matter what order they apply to receive benefits.

The following professional licensure exams are available through the PPI2Pass:

- Fundamentals of Engineering Exam (All included)
- Professional Engineer Exam (All included)

## PROGRAM PARTICIPATION ACCOUNTABILITY

- Once an applicant is granted a seat in the CRC, they will have access for 12 months.
- Recipients will be assigned a mentor or they may request an established SAME member to serve as their mentor.
- Participants are to monitor overall progress based on the initial plan they establish with their mentor (and provide a schedule to the mentor to ensure the plan is being met).
- Participants will receive a warning if they fail to maintain the planned progress over the initial eight-week period.
- Should there be no improvement in the subsequent four weeks, the committee will assess the situation for additional action.
